

1st Annual HEALTH CARE ASSISTANTS STUDY DAY

This in-person palliative care study day aims to enhance the knowledge and skills of health care assistants in delivering person-centred, holistic care. This day is designed to explore and reinforce the competencies of health care assistants based on the first three domains of the palliative care competence framework. (AIHPC 2014)

The following topics will be covered:

- Principles of Palliative Care
 - Communication: Exploring courageous conversations
 - Your role in optimising comfort and quality of life
 - How to maximise YOUR potential as a Health Care Assistant
-
- Date: 9th April 2024, 10.00-16:30
 - Location: Education Centre, St Francis Hospice Blanchardstown
 - Time: 10am - 16:30
 - Fee: €125
