

PALLIATIVE REHABILITATION STUDY DAY

Rehabilitation in Palliative Care: A Challenge or an Opportunity?

This study day aims to increase participants knowledge and understanding of the meaning of rehabilitation in palliative care. It also aims to highlight how all members of the interdisciplinary team can contribute to palliative rehabilitation in their everyday practice and services.

This course is suitable for all members of the interdisciplinary team.

The following topics will be covered:

- What is Palliative Rehabilitation
- Role of Self-Management in Quality of Life
- Service Developments
- Role of Goal Setting

Date: 11th April 2024

Time: 10am - 4:30pm

Location : Education Centre
St Francis Hospice Blanchardstown

Fee: €115
