Volunteering at St. Francis Hospice Dublin (Raheny/Blanchardstown)

Since 1989, the volunteers of St. Francis Hospice have assisted staff in providing specialist palliative care to people of North Dublin City & County.

Based on a Christian philosophy, the service treats each person with dignity, respect and compassion irrespective of their cultural or religious background.

The achievement of the aims of St. Francis Hospice is greatly assisted by the active participation of our team of volunteers.

Can I?

We believe in the unique contribution that volunteers make to our service. No particular qualifications are needed for most roles, just a willingness to share your skills and life experiences and make a difference in a person's life. You also need to be able to make a reliable commitment for a minimum of 1 year, normally 4 hours on a specific day, once a week.

If you are interested in volunteering for 3-4 hours once a week for a minimum of one year, and are over 18 years old, please see www.sfh.ie/volunteers for more information on the various roles and a list of current opportunities. You are welcome to contact Coordinator Volunteer Services by telephone or email to discuss volunteer opportunities and the application process.
